## Rights and Privileges of RESO Certification

This RESO Standards Compliance Certificate goes into effect on the Certification Date. The certification expires on the date listed above. The applicant organization is granted the following rights and privileges during the certification period:

- Display RESO Certification verbiage via text on a website, within a certain product and other marketing materials.
- Display a RESO Certification Logo on a website, within the certified product, and other marketing materials after the execution of the RESO Trademark Agreement. Please review the RESO Trademark Agreement and RESO Brand Guidelines for additional details.
